

ATTENTION K-3 GRADE LEARN SCIENCE WITH THE YSC

ABOUT

Attention students from kinder through third grade! The Youth Science Center will help you learn about biology, kitchen chemistry, engineering, and physics. You will get to plant and learn about plant classifications. You will make sugar snowflakes and other great desserts. You will build your own buildings out of newspaper, marshmallows, and spaghetti.

What to expect

Focus will be on beginning physics, chemistry, biology, and engineering!

Fun-filled hands-on science activities!

Exciting science investigations...and much more!
